

NCQHA

Gov. James B Hunt Jr. Horse Complex Camping

Please note that reservations for camping at the Governor James B Hunt Horse Complex can only be made by participants of events promoted at this venue. If you are planning to camp, it is imperative that you register as a participant in one of the events hosted there. Process your stall reservations first.

To facilitate your reservation process, group codes for campsite bookings can be obtained through the event promoter (NCQHA). These group codes are necessary to secure your camping spot and ensure a smooth and seamless experience during your stay. A group code is only needed for reservations on the Horse Complex ground. The spots on top of the hill do not require group code.

Hunt Horse Complex camping reservations may be made at the following websites:

<https://app.fireflyreservations.com/reserve/property/HorseComplexCamping>

These are the campsites along the fence and on the show grounds

HELPFUL TIPS: Sometimes better on computer or tablet and update all fields on the first screen, even if a value is there.

To get your group code contact: Sherri Blankenship, Blankenfam@aol.com, 919-219-8706.

<https://app.fireflyreservations.com/reserve/property/NCStateFairCampground>

(These are the ones at the top of the hill) **Group code not required for these spots.**

Things to keep in mind when making a reservation:

Group codes begin on a Monday and extend through Saturday night departing on Sunday. Use the guest portal to request early arrival or late departure.

1. HHC camping spots are for horse show participants only. NCSF Security and HHC Staff will never give out codes by phone.
2. On the same day, reservations can be made onsite if space remains.
3. HHC camping spots are narrow and do not allow slides. The system will only issue a new reservation when the No Slides option is selected.
4. Camping is restricted to using only one trailer/RV per site and may not extend past the boundaries of that spot. All camping equipment and vehicles (if applicable) must be on the single campsite and not spread into adjacent sites.
5. Security will still need to unlock electric boxes upon move-in. Call 919-612-6767
6. All camping regulations listed and agreed to on the website must be followed. A substantiated violation of the rules and regulations may result in the cancellation of the reservation and removal from the property.
